

Pro Systems By Ricoma MT Series

Brand: Pro Systems
Product Code: RCMTSERIES
Availability: Pre-Order

Short Description

Suitable for all commercial embroidery needs, MT Series can embroider caps, flats, bags, finished garments and more. Redesigned to carry a larger sewing field and a smaller sewing arm for difficult areas, the MT can embroider on both small and bulky items.

Description

The MT Series is available in single and twin heads in a 12 or 15 colour configuration with a large working area suitable for bulky items and a redesigned smaller sewing arm for hard-to-embroider areas. Popular among startups, the MT can embroider on anything from bags to drapery.
